<u>UENUKU</u> <u>RAETIHI</u> NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

1. STATEMENT OF ACCOUNTING POLICIES

REPORTING ENTITY

Uenuku is domiciled in New Zealand and is a registered incorporated society. The trust board was incorporated under the Charitable Trust Act 1957, on the 3rd of April 2014.

The Trust completed a process of hui to confirm a mandate to proceed with settlement of claims for purposes of Waitangi Treaty Claims.

These financial statements have been prepared in accordance with the Special Purpose accounting policies determined by governance.

Prior year financial statements were been prepared in accordance with Special Purpose Framework for use by For-Profit Entities published by Chartered Accountants Australia and New Zealand. This has had no effect on the prior year or current year's figures.

The financial statements have been prepared for the Trustees and the Inland Revenue Department.

GENERAL ACCOUNTING POLICIES

Unless otherwise stated the accounting policies recognised as appropriate for the measurement and reporting of earnings and financial position on an historical cost basis have been followed by the entity. The financial statements are presented in New Zealand dollars (NZ\$) which is the entity's presentation currency. All financial information presented in NZ\$ has been rounded to the nearest dollar.

SPECIFIC ACCOUNTING POLICIES

FINANCIAL INSTRUMENTS

The classification of financial instruments are held at amortised cost.

AMORTISED COST

Amortised Cost Includes assets and liabilities where the intention is to earn contractual cash flows in the nature of principal and interest payments. Such assets and liabilities are carried at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired, as well as through the amortisation process. This includes bank accounts and cash, accounts receivable, accounts payable and income in advance.

ACCOUNTS RECEIVABLE

Accounts Receivable are recorded at amortised cost less an allowance for any uncollectible amounts. Debts that are known to be uncollectable are written off in the period that they are identified.

BANK ACCOUNTS AND CASH

Bank accounts and Cash are short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. They are recorded at amortised cost.

ACCOUNTS PAYABLE

Accounts payable are measured at amortised cost. If the Trust has not received an invoice, accruals are recorded at an estimate of the amount to be paid.

FUNDRAISING AND GRANTS

Grant revenue is recognised when the conditions attached to the grant have been complied with. Where there are unfulfilled conditions attached to the grant, the amount relating to the unfulfilled conditions is recognised as a liability and released to revenue as the conditions are fulfilled. This income comprises funding received from CFRT and the Office of Treaty Settlement.

<u>UENUKU</u> <u>RAETIHI</u> NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

DONATIONS

Donations received are included in operating revenue. If particular conditions are attached to a donation that would require it to be repaid if there conditions are not met, then the donation is recorded as a liability until the conditions are satisfied.

Donated goods or services (other than donated assets) are not recognised.

Where significant donated assets are received with useful lives of 12 months or more, and the fair value of the asset is readily obtainable, the donation is recorded at the value of the asset obtained. Where the fair value of the asset is not readily obtainable, the donation is not recorded. Donated assets with useful lives less than 12 months are not recorded.

LEGAL EXPENSES

There are legal fees owing at balance date which have not been accrued as the entity only recognises them on receipt of invoice. There is specific funding available to the organisation to cover the cost of these fees that is applied for on receipt of invoice

According to Governance, there has been slight delay in Crown Settlement being finalised until 2022. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with Professional and Ethical Standard 1 (Revised) *Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board and the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the Trust.

Emphasis of Matter

At the time of issuing our opinion, the Law firm providing legal work and assistance to the Trust had not issued their invoices for the work carried out. Whilst the invoices have not been received the transactions would result in an Accounts Receivable being recognised for the funding of these costs, which would not affect the net profit or loss of the Trust. Our opinion has been modified in respect to this matter.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial statements have been prepared for the Trustees and Inland Revenue Department. As a result, the financial statements may not be suitable for another purpose.

Other information

The Trustees are responsible on behalf of the Trust for the other information. The other information comprises the Trustees Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based, on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Trustees' Responsibilities for the Financial Statements

The Trustees are responsible on behalf of the Trust for determining that the Special Purpose Framework adopted is acceptable in the Trust's circumstances, for the preparation and fair presentation of the financial statements in accordance with the Special Purpose Framework, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible on behalf of the Trust for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

Auditors Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A detailed description of the auditors' responsibilities including those related to assessment of risk of material misstatement, evaluation of appropriateness of going concern assumptions and determining key audit matters are available on the external reporting board website: http://www.xrb.govt.nz/standards-for-assurance-practitioners/auditors-responsibilities/audit-report-8/
